

Drone Safety Rules.

1. Never fly a drone at head level.
(unless you have express permission from Drone CDR)
and are doing so NOT in sports mode to take a picture
2. Drones should NEVER come within 1 meter of a person.
3. Never fly a drone alone, NO Exceptions this is an
accountability rule.

By signing this paper I acknowledge and accept that while operating a drone owned by the O'bryant NJROTC unit, I will not break any of these rules, and that if I do the ability to operate the units drones can be suspended. I understand that I am responsible for any and all damages to people or property that occur as a result of an infraction of any of these rules, or that takes place while these any of these rules are being broken.
